Join us in saying the Lord's Prayer!

Let us know if you would like to record yourself saying the Lord's Prayer along with other church members. It will become part of our Sunday Service. We will send you an audio track you can listen to through head phones or ear buds as you record yourself.

Through digital magic the tracks will be combined and become part of our worship service. You can contact Pastor Susan or Dale Roller if you have questions.

Help Wanted

We are in need of a Bereavement Coordinator. Currently we do not have anyone assigned to organize the meals prepared by church members for bereaved families. The main task is contacting people so they can provide food following a funeral.

Assistance for those in Need

COVID-19 has affected everyone in one way or another. If you know of local families in need, please contact the church office. Due to the generous support of our Bethany Family, we can offer aid to help those who are struggling financially.
