

# What's Happening

at Bethany

Feb. 11, 2021

Within days, the season of Lent will begin! The Worship Committee has decided with all the restrictions, we will not be able to have our traditional meal/mission project followed by the imposition of ashes. However, we will have Drive-In Imposition of Ashes on Ash Wednesday, February 17. You will be able to drive through the parking lot from 12-1 pm or 5:30-6:30 pm for the imposition of ashes. As a modified mission project, we will emphasize our Green Hanger Project and the Food Pantry Diaper Drive. If you can, here is a list of needed items: diapers (size 4&5 are most needed, but we will accept all sizes), baby wipes, shampoo/conditioner, body wash, deodorant, toothpaste and toothbrushes. With or without donations, we encourage you to join us for the imposition of ashes.

**Communion, scheduled for Sunday, February 14, has been postponed.**

**Our Mission Team wants to help Staunton UMC with their "The Green Hanger Project."** They take gently used clothing (laundered with no stains or holes), new socks and underwear, personal care products and give them to middle and high schoolers who are in need. So if you're cleaning out those closets to make room for new Christmas clothes, please save those discarded clothes for this project. You can bring them by the church on Sunday mornings or during the week between 9 am - 3 pm. Questions? Please contact Lori Mooney. You can check out "The Green Hanger Project" website at [greenhangerproject.com](http://greenhangerproject.com) for more detailed information.

*I would like to express my appreciation for all the planning, labors, and efforts that goes into delivering us a means whereby we are able to still have our Sunday service sent out in a manner we can receive each Sunday morning. I am so very impressed and indebted to all those associated with and all who have a hand in this. -Ken Elkins*

*Have a Blessed Day!!*
