

What's Happening

at Bethany

Feb. 25, 2021

Sunday, February 28 will be a Communion Sunday. There will be three ways to receive communion:

1. If you are in the sanctuary, the pre-packaged elements will be on a table in the foyer and you can pick them up on your way out. They should be eaten outside. There will be a moment of blessing outside for anyone who would like to partake in the bread and juice as one body.
2. Folks in the parking lot will receive pre-packaged elements from our check-in person.
3. For those at home, have a piece of bread or cracker on hand, as well as juice, wine or water. They will be blessed along with the elements in the sanctuary.

The Mission Team will be joining Valley Missions for their Easter Mission Project this spring. They need donations of sandwich & lunch bags, Lysol wipes & spray, window & bathroom cleaner, laundry detergent, aluminum foil, umbrellas & ponchos, work gloves and thermal underwear. These donations can be brought to the church and Lori Mooney will take them to Valley Mission. They are also asking for monetary donations to help replace their playground. Checks should be written out to BUMC with "VM Playground Fund" in the memo line. Donations will be taken through Easter Sunday!

It's not too late to donate gently used clothing, new socks & underwear and personal care products to "The Green Hanger Project." This will be the last Sunday to bring donations. Please contact Lori Mooney with all questions. You can check out "The Green Hanger Project" website at greenhangerproject.com for more detailed information.
